STATEMENT OF INTENT

Enhance Academy Trust is committed to providing an inclusive, respectful, and equitable learning environment for every pupil across all its schools — both Church of England and non-church settings. We recognise the unique worth of each individual and are dedicated to ensuring that everyone is treated fairly, feels valued, and is able to achieve their potential.

SCHOOL CONTEXT

Overthorpe C of E Academy is a vibrant and inclusive school that serves as the heart of its local community, creating a safe, stable, and caring environment for all children to thrive in both education and life. The school prides itself on inspiring a genuine love for learning in its pupils, nurturing independence, and ensuring that every child fulfils their potential through a broad and balanced curriculum. Our vision—‘more than a school, the heart of our community, nurturing the courage and skills to fly higher than the flock, with a nest to come home to’—reflects our commitment to providing a supportive and ambitious environment, deeply rooted in Christian values of Trust, Friendship, Endurance, Hope, and Forgiveness.

The staff and governors strive for excellence while fostering an ethos that welcomes every child and celebrates diversity and individuality. Our curriculum is purposefully designed to stimulate curiosity, excitement, and pupil voice, ensuring each learner is ready for the next stage of their development. Our values underpin all aspects of teaching and pastoral care, supporting pupils to become confident, compassionate, and resilient members of society. This context shapes our approach to equality, diversity, and inclusion, ensuring all children benefit from a nurturing environment that prepares them for lifelong success and community engagement.

LEGAL FRAMEWORK

This policy meets the requirements of the Equality Act 2010 and the Public Sector Equality Duty (PSED). It reflects Keeping Children Safe in Education (KCSIE 2025), the SEND and Alternative Provision Improvement Plan (2023), the Ofsted Education Inspection Framework (2024), and the Diocese of Leeds vision for education: Loving, Living, Learning.

SCOPE

This policy applies to all pupils, prospective pupils, and members of the school community, including parents, carers, staff, volunteers, and visitors.

ROLES AND RESPONSIBILITIES

The Trust Board holds accountability for compliance with the Equality Act 2010 and the PSED. Local Academy Boards oversee implementation at school level. Headteachers lead local delivery, and all staff share responsibility for promoting fairness, respect, and inclusion.

PUBLIC SECTOR EQUALITY DUTY

Under the Equality Act 2010, the Trust must have due regard to the need to eliminate discrimination, advance equality of opportunity, and foster good relations. All academies publish equality information annually and review equality objectives every four years.

PREVENTION OF SEXUAL HARASSMENT AND SEXUAL VIOLENCE

In line with KCSIE 2025, the Trust recognises sexual harassment and harmful sexual behaviour as safeguarding and equality issues. All schools will ensure appropriate staff training, create safe reporting systems, and educate pupils about respect, consent, and boundaries.

CURRICULUM AND INCLUSION

All schools will ensure equality, equity, diversity, and inclusion are embedded across the curriculum. Primary academies will integrate these principles through PSHE, RSHE, RE, and assemblies, while post-16 provision will emphasise respectful relationships, consent, and workplace inclusion.

ELIMINATING BULLYING, DISCRIMINATION AND HARASSMENT

The Trust is committed to eliminating all forms of discrimination, bullying, and harassment, including prejudice-based and sexual harassment. Incidents are recorded, monitored, and reported to ensure accountability and learning.

ADVANCING EQUALITY OF OPPORTUNITY AND FOSTERING GOOD RELATIONS

The Trust and its academies will remove barriers and promote equality of access, experience, and outcomes for all pupils. Data will be analysed to address disparities, and the curriculum will celebrate diversity, encourage pupil voice, and build positive community relationships.

MONITORING, EVALUATION AND REPORTING

Equality objectives and impact will be reviewed annually. Each academy will report progress to its Local Academy Board and the Trust Board. Data monitoring includes attainment, attendance, behaviour, safeguarding, and participation.

POLICY REVIEW

This policy is reviewed annually by the Governance and Compliance Professional in consultation with the Director of School Improvement annually, and approved by the CEO every 2 years or if any changes arise.

PUBLICATION

This policy and equality information will be published on Trust and academy websites, shared with staff and governors, and made available in accessible formats upon request.
